With Your Help ...

We can continue to provide services that empower individuals with diverse disabilities to maximize their development and independence.

Southwest Community Services, Inc. is driven by the individuals that we serve. We empower them to use their ideas and abilities to reach their goals and potentials.

SCS has been serving the community since 1971. We are governed by a volunteer Board of Directors who are representatives of business, education, human services fields and family members. We receive funding from the Illinois Department of Human Services, United Way of Metropolitan Chicago, civic groups, foundations and private donations.

SCS provides adult and children services and programs that assist persons with developmental disabilities, mental illness, physical disabilities, hearing and vision impairments and learning disabilities to enable them to achieve their highest degree of self-sufficiency through developmental training, social and

recreational opportunities, psychosocial rehabilitation, community support, job development and community employment opportunities.
