

**2010 Southwest Community Services Golf Outing
GOLF BALL DROP SPLIT THE POT**

FUN! FUN! FUN!

Ask your friends and family!

Our Golf Ball Drop Split the Pot is for everyone - golfers and non-golfers alike! Everyone has a chance to participate in the SCS golf outing. On the day of the event, all of the balls sold will be placed randomly in a container and dropped from the top of the ladder on a Tinley Park Fire Department truck onto the 1st green of the South course. The ball that goes into the hole or comes closest to the hole wins. The winning amount will be dependent upon the number of balls sold and will be a 50/50 split the pot with SCS. Just complete the "Ball Drop Split the Pot" section on the enclosed registration form, and we will send you the assigned ball number(s) in the mail or via email.

GOOD LUCK TO ALL!
